Motion carried

Yearbook Update; Liz & Stella

North Street Elementary School

March 3, 2021

1. Community Reading Day - Yesterday we held our virtual community reading day during Read Across America Day. The grade levels watched the pre recorded videos and it was nice to have a variety of options to share throughout the week.
2. MCAS - The window for MCAS is scheduled for April 5 - May 27th, but we believe that will be changed in the coming days/weeks.
3. Clubs - The yearbook club will begin meeting to design the yearbook remotely. Additionally, we plan to provide a game club and running club this spring. We hope to add a few more choices for students before the year closes and restrictions allow.
4. Full Time - We continue to analyze the news from last week about a potential full time return for elementary school students in Massachusetts. Along with Dr. Cummings, we will await the state's additional information and communicate that to families.
5. LightBox eBooks - Kristin worked with Kim Cross to purchase the additional library books that will be utilized across the building.
6. UMASS Donation - In addition to the Valentine's our students provided to UMASS, our student council ran a coin drive that earned over \$1200! The student council decided to donate the funds to UMASS and we hope to have someone visit us when it is appropriate.

Summer Reading: Lisa Rice proposing \$50 per grade (\$300 NSES, \$200 NGES)

Increase administrative funds; Stella Dikas first motion to approve; Liz Spinney second motion; all in favor unanimous. Motion carried.

Virtual Field Trips: move to allocate up to \$4000 (\$500 each grade); Liz Spinney first motion to approve; Beth Foley second motion; all in favor unanimous. Motion carried.

Meeting adjourned. 8:17pm Stella Dikas first motion to approve; Liz Spinney second motion; all in favor unanimous. Motion carried.
